

## Directions to Adolphs Lab

**Parking:** Parking will be free and no cost to you. The Broad Center is clearly marked in the top left section of the map below, and is on Wilson Ave. just south of Del Mar Blvd. We recommend that you park in the lot adjacent to and just north of the Broad Center (lot 12) and then come to the Emotion Lab to get a parking permit which you can then place on your car. If you need to cancel, please give us 24 hours notice.

**Directions to the Emotion and Social Cognition Lab (once you have arrived at Caltech):** When you get to Broad Center, take the elevator to the basement, turn right out of the elevator and then left at the end of the hall (look for signs to the Adolphs Lab). Ring the doorbell to be let into the hallway.

### Directions to Caltech

**From Arcadia and East:** Take the 210 to the Lake Avenue Exit. Turn LEFT onto Lake Ave. and take it to Del Mar Blvd. Turn LEFT onto Del Mar Blvd. and take it to Wilson Ave. Turn RIGHT onto Wilson Ave. The Broad Center is the metal/stone building by all of the palm trees right next to the parking lot.

**From Glendale and West:** Take the 210 to the Lake Avenue Exit. Turn RIGHT onto Lake Ave. and take it to Del Mar Blvd. Turn LEFT onto Del Mar Blvd. and take it to Wilson Ave. Turn RIGHT onto Wilson Ave. The Broad Center is the metal/stone building by all of the palm trees right next to the parking lot.

**From the South:** Take the 110 North through South Pasadena. Turn RIGHT onto Del Mar Blvd. and take it to Wilson Ave. Turn RIGHT onto Wilson Ave. The Broad Center is the metal/stone building by all of the palm trees right next to the parking lot.

**On the Gold Line Metro Rail:** See the map at [http://www.its.caltech.edu/~mmic/visitors/rail\\_map.pdf](http://www.its.caltech.edu/~mmic/visitors/rail_map.pdf). Take the Gold Line toward Pasadena, and get off at the Lake Avenue stop. Head south (away from the mountains) on Lake until you meet Del Mar. Take a LEFT at Del Mar and walk until you meet Wilson. Take a RIGHT onto Wilson Ave. The Broad Center is the metal/stone building by all of the palm trees. If you are heading south on Wilson (away from the mountains), Broad Center will be on your left.
